### REGULAR MIRROR REFLECTION

**"SIMPLICITY IS  
COMPLEXITY RESOLVED"**

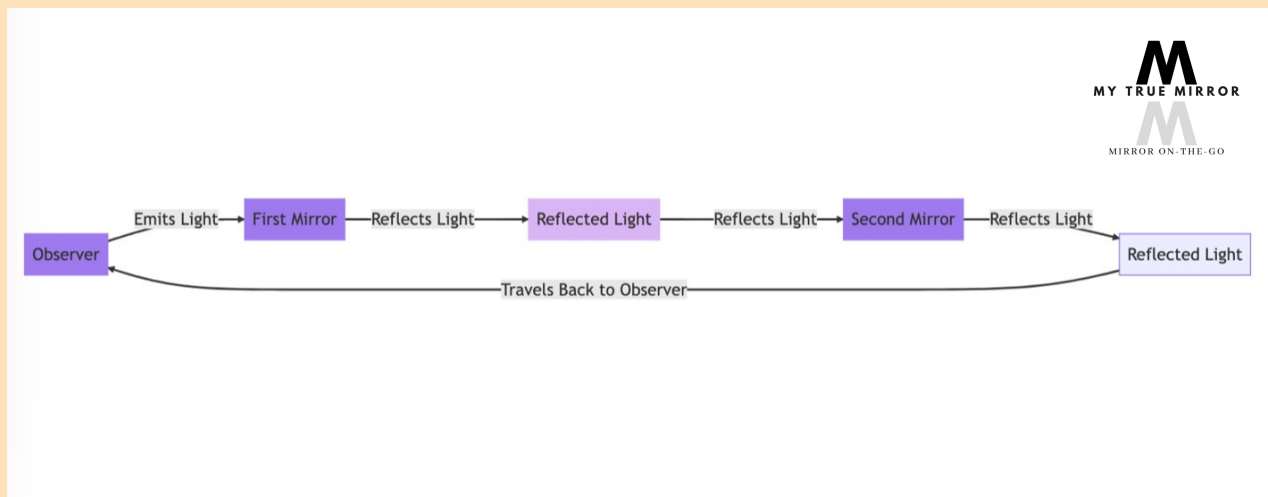

**CONSTANTIN BRANCUSI**

**WONDERING WHY THESE CONTRADICTIONARY  
QUOTES?**

**WHILE BOTH THESE RENOWNED QUOTES FROM  
THESE LEGENDARY SCHOLARS ARE TRUE, IT DOES  
EMPHASIZE THAT SOME THINGS IN LIFE CAN AND  
SHOULD BE ENJOYED WITH "SIMPLICITY", WHILE  
LETTING YOUR "INTELLIGENCE HAVE SOME FUN"  
CAN BRING OUT YOUR CREATIVITY & ACCENTUATE  
LIFE AS A WHOLE!**

**LET US EXPLAIN WHY WE SAY THAT AT THE END...**

# HOW DOES A TRUE MIRROR WORK

## STEP 1: THE OBSERVER

YOU, THE OBSERVER, ARE READY TO ADMIRE YOUR FABULOUS SELF IN A TRUE MIRROR WHICH HAS 2 MIRRORS AFFIXED AT A 90-DEGREE ANGLE.

## STEP 2: THE FIRST MIRROR

THE LIGHT THAT YOU EMIT IS EAGERLY RECEIVED BY THE FIRST MIRROR.

## STEP 3: REFLECTIONS GALORE

THE FIRST MIRROR THEN BOUNCES OFF THE MIRRORED REFLECTION TO THE SECOND MIRROR BECAUSE OF ITS PRECISE PLACEMENT, WHICH THEN EMBRACES THE MIRRORED REFLECTION AND REVERSES IT AS ANY MIRROR WOULD DO.

EXCEPT THAT THIS REFLECTION WILL BE NON-REVERSED BECAUSE THE SOURCE LIGHT (THE REFLECTED LIGHT FROM THE FIRST MIRROR) WAS ALREADY MIRRORED.

## STEP 4: THE SECOND MIRROR

THE SECOND MIRROR REFLECTS THE LIGHT, PRESERVING YOUR NATURAL BEAUTY AS IS, UNADULTERATED AND GUIDES THE LIGHT BACK TO YOU, THE OBSERVER.

# HOW DOES A REGULAR MIRROR WORK

## STEP 1: THE OBSERVER

YOU, THE OBSERVER, ARE READY TO CATCH A GLIMPSE OF YOUR WONDERFUL SELF.

## STEP 2: THE REGULAR MIRROR

THE REGULAR MIRROR RECEIVES THE LIGHT YOU EMIT, JUST LIKE A LOYAL SIDEKICK.

## STEP 3: REFLECTIONS UNLEASHED

THE MIRROR FAITHFULLY REFLECTS THE LIGHT, CREATING A MIRROR IMAGE OF YOUR APPEARANCE.

## STEP 4: BACK TO YOU

THE REFLECTION TRAVELS STRAIGHT BACK TO YOUR EYES, ALLOWING YOU TO SEE YOUR MIRRORED REFLECTION.

**ALTHOUGH, THE HUMAN RACE WAS CONTENT WITH A REGULAR MIRROR THAT COULD PRETTY MUCH DO ITS (REFLECTIVE) JOB, THE CREATIVE CURIOSITY OF THE HOMO-SAPIENS BRAIN DEVELOPED A NON-REVERSING MIRROR, A TRUE MIRROR THAT WOULD SHOW THE IMAGE UNREVERSED. HAD THE CREATIVE MIND NOT PARTICIPATED IN THIS UNIQUE CREATION, ALL OF US WOULD HAVE STILL SETTLED FOR A REGULAR MIRROR.**
